CERTIFICATIONS

Certified Public Accountant, GA

EXPERIENCE

Chris has 40 years of experience as a practicing CPA, providing audit and accounting services to a wide variety of clients and serving as a business advisor and project consultant to businesses of all types and sizes. In addition to his significant audit experience, he has handled a variety of special projects for clients, including offerings of debt and equity securities, strategic planning, mergers and acquisitions, accounting system reviews, internal auditing functions, and many other business services.

He is also responsible for elements of the quality control of the Firm's audit and accounting practice and serves as a concurring reviewer for many of the Firm's audits. He also performs peer reviews for a number of large and small public accounting firms and provides litigation support primarily in accountants' malpractice cases.
