

# GREG SPANGLER

## **EXPERIENCE**

With over 25 years of public accounting experience, Greg derives his greatest satisfaction in guiding his clients through complex issues and transactions. Greg has served clients in a variety of industries including ESOPS, manufacturing, supply chain, construction, financial services, real estate development, healthcare, transportation, technology and musical recording.

He has managed and assisted on all phases of public and private company audits and related services, including periodic SEC reporting requirements (Form 11-K filings), Sarbanes-Oxley Section 404 compliance, private placements of debt and equity securities (1933 Act filings), and going-private transactions.

Greg has assisted clients with financial due diligence with respect to mergers and acquisitions. He has assisted private companies with the preparation of consolidated and combined financial statements, including international reporting packages (IFRS) and pro forma financial statements. He has participated as a reviewer in the internal peer review process and participated in the annual inspection process by the Public Company Accounting Oversight Board (PCAOB).
