

# CEAKIMA GOLDEN

## EXPERIENCE

Ceakima is a skillful and highly accomplished senior manager for the healthcare advisory practice with more than 20 years of healthcare industry experience, with expert knowledge in cash acceleration and revenue cycle improvements. She focuses on managing revenue cycle optimization programs for hospital clients, working directly with executives to develop tailored solutions to their revenue cycle. She also conducts extensive revenue cycle assessments through stakeholder interviews, observing key revenue cycle processes and reviewing various documentation and coding compliance records.

She is an HFMA Certified Revenue Cycle Representative and a certified Project Management Professional®.
