EXPERIENCE

As a Tax Director for Windham Brannon, Kristin Posey possesses more than 25 years of public accounting experience, with primary industry focuses on corporations in manufacturing, technology and healthcare. Along with a strong knowledge of mergers and acquisitions, she also has extensive experience with private equity-owned clients, multistate/multinational corporations, and tax accounting.

Kristin's previous work experience includes leading tax teams, managing income tax compliance/planning services, supervising IRS and state income tax audits, partnering with auditors in review of income tax provisions and helping clients identify and implement tax savings opportunities.
